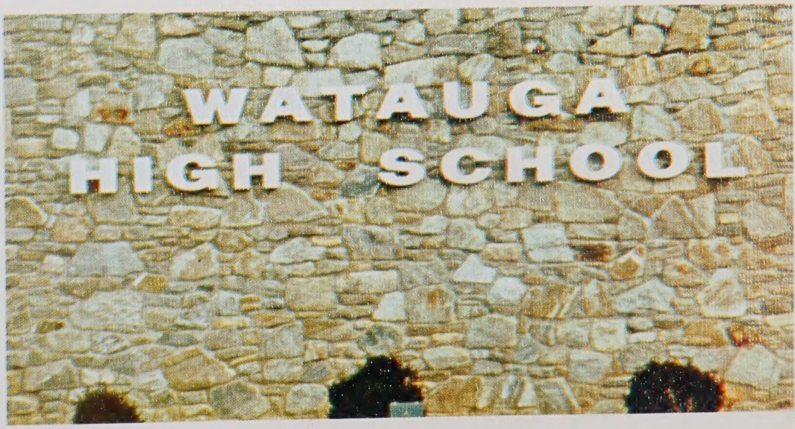
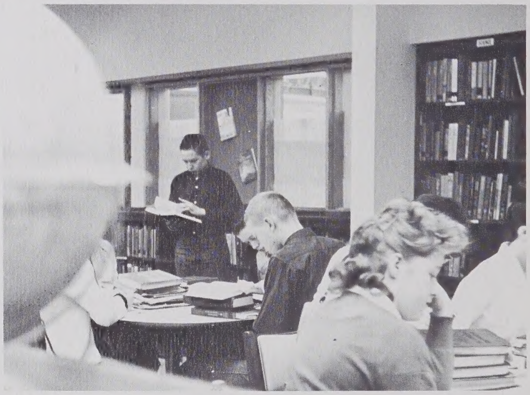
The Torch Bearer

Hold high the torch; you did not light its glow.
'Twas given you by other hands, you know.
'Tis yours to keep it burning bright.
Yours to pass on when you no more need light
For there are other feet that we must guide
And other forms go marching by our side.
Their eyes are watching every tear and smile
And efforts which we think are not worthwhile
Maybe, perhaps, the very thing they need,
Actions to which their souls will take most heed,
So that in turn they'll hold it high and say,
"I saw another carry it this way."
Hold high the torch; you did not light its glow.
'Twas given you by other hands, you know.
I think it started down its pathway bright,
That day the Master said, "Let there be light."
And He once said Who hung on Calvary's tree,
"Ye are the light of the world; go — shine for me."



With the passage of the bond issue of September, 1963, the massive project of building a new consolidated high school was begun. The five existing high schools — Appalachian, Bethel, Blowing Rock, Cove Creek, and Watauga Consolidated — merged into one. Then overnight the finishing touches were being added to an ultra-modern building and the major portion of it was ready for its occupants. Time marched onward.



'Tis yours to keep it burning bright

WE WELCOME YOU TO
PRINCIPALS
TEACHERS
FRIENDS
CUSTODIANS
WATAUGA HIGH SCHOOL

To teach as we have been taught is our responsibility for the future. Together we lived, laughed, and learned. Alone we must face the world, relying upon the wisdom of experience. So as the rising sun lights the sky, may our lives light a path for the young and the inexperienced so that they, too, may teach as they have been taught.

"Ye are the light of the world; go – shine for Me."

Maybe, perhaps, the very thing they need,

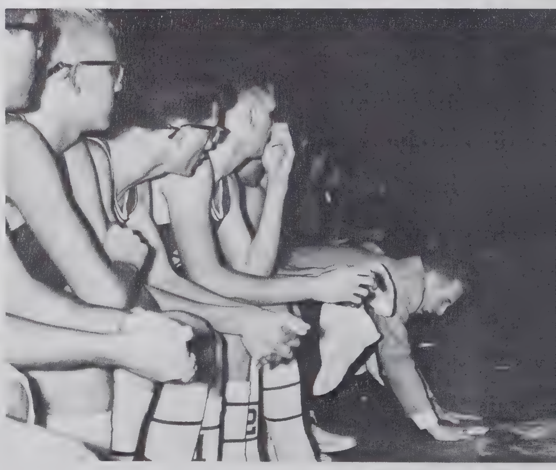
DR UCATION
A HIGH SCHOOL
AROLINA PUBLIC S

Discovering, through class experience, one's abilities and potentials — these are our goals. Our directions, even though different, must originate during our stay here. These roads of life, for some of us, lead toward higher education; for others, happiness lies in the areas of homemaking or the sciences or in the achieving of skills in the manual arts. Regardless of the ultimate goal, it is here through participation in a diversified curriculum that well-rounded individuals emerge.

Actions to which their souls will take most heed,

Action — that's the word for our new school. School spirit is shown in the reaction of our students to every call and play on the field of sports. Hours of drills and practice pay off for the band and the chorus when they journey to choral festivals and band contests. In our science labs, experiments help each student to understand scientific facts and theories. Yes, in every department of our school and in every phase of our activities, action is the key to our success now and in future years.

Tears and smiles . . . large groups and individuals . . . close friends and acquaintances . . . planned events and spontaneous activities . . . victories and defeats . . . make the school day. In every class, the atmosphere is charged with the personalities of each member. The true heart-beat of Watauga High is indeed expressed in the tears and smiles of our cheerleaders, athletics, administration, and entire student body.



. . . every tear and smile

NINETEEN HUNDRED SIXTY-SIX

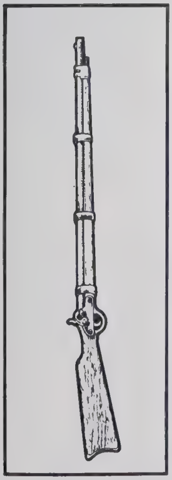
The MUSKET

This is in

tribute to the past . . .

This is in tribute to the past. Five schools closed their doors and histories that a larger institution might be born. In order to create a large dream, it is necessary to sacrifice smaller ones; such was the case with Watauga High School when five dreams for educating tomorrow's leaders became one. We, the students, created the school and gave Watauga High School its meaning; our spirit established its valor. The past, as always, paved a new road to the future. We can never forget the experiences the past held; they prepared us for our future. As we cannot forget the past, we cannot reject the future, for it holds life. So, with the death of five wonderful histories, we gain the birth of a magnificent future. We therefore wish to dedicate the 1966 MUSKET to our former schools — Appalachian, Bethel, Blowing Rock, Cove Creek, and Watauga Consolidated.

ACADEMICS



Yours to pass on when you no more need light

County Board of Education Sees Result of Planning and Work As Watauga High School Enjoys Successful First Year

To these thoughtful men, among others, the students of W.H.S. owe a note of appreciation. Without their foresight, as well as that of many other people, our beautiful, spacious school would probably never have materialized. As representatives of the citizenry of Watauga County, these leaders continue to provide for the welfare of the various schools of this county.

H. W. Mast; Mack Brown; Dr. Charles Davant, Jr., Chairman; W. Guy Angell, Secretary and Superintendent.

Dr. Miller Accepts Duties As First Principal of W.H.S.

We wish to recognize Dr. N. A. Miller for his unfaltering leadership throughout this school year. As our principal, he set forth the regulations which served as guidelines for establising the dignity of our school. His wisdom and understanding have played an important role in the success of our attempt to attain unity. A soft voice, a quiet walk, a gentle yet firm dispensing of justice, an unobtrusive air of competence — these qualities and more portray the image of the Principal of Watauga High School.

N. A. Miller, D.Ed., Univ. of Tennessee

Just another face in the crowd! Dr. Miller and another fan discuss game at half-time.

Dr. Miller takes time out for a short informal conference session with Mr. Ross and student. He is always eager to be of help when possible.

Wanda Farthing takes notes from Dr. Miller on awards to be presented for Awards Day.

Assistant Principal Well Qualified

His past experience as principal and teacher makes Carl Fidler well qualified for the position of Assistant Principal. Because of his foresight, many problems connected with the smooth beginning of a newly consolidated high school have been avoided.

Although Mr. Fidler's most obvious duty is to assist Dr. Miller in the administrative affairs of Watauga High School, he has done more than merely that required by his position. He has been in charge of the transportation facilities for the school, seeing daily that students arrive and depart safely from the building. This is only one of many duties which Mr. Fidler has performed most capably.

Mr. Fidler contemplates action to be taken in one of many routine school matters.

Carl Fidler, M.A., A.S.T.C.

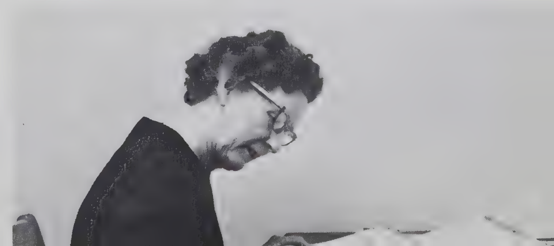
Mr. Fidler discusses day's schedule with Dr. Miller while awaiting last bus's arrival.

Guidance Counselors Assist in Student Registration

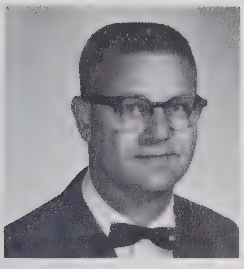
Margaret E. Gragg, M.A., A.S.T.C.

Mrs. Gragg, the junior-senior counselor, and Mrs. Mast, the freshman-sophomore counselor, began work before Watauga High School opened its doors for the first time, pre-registering all students so that the first days of the 1965-66 school year would be less hectic. During the year, they helped many students find answers to personal problems and decide on vocations.

Grace B. Mast, M.A., A.S.T.C.



Faculty and Curriculum



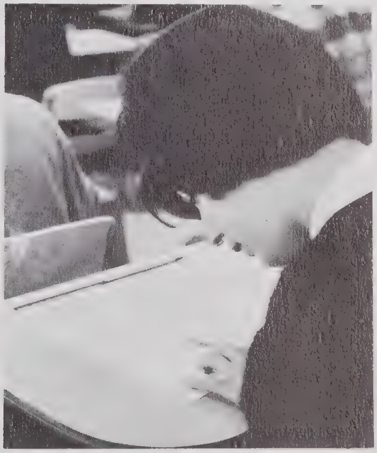
Harlan E. Ledford
M.A., East Tenn. State University

V. Louise Hurd
M.A., George Peabody

Marie G. Hodges
B.S., A.S.T.C.

Students Gain Valuable Skills for Careers in Business

The Department of Business Education prepares students for careers in the diversified, challenging commercial field. The skills they gain can be applied to college, job, or household duties. Whether typing a manuscript, taking dictation, balancing a ledger, or working with office machines, business students gain the skills necessary to make them competent office personnel.

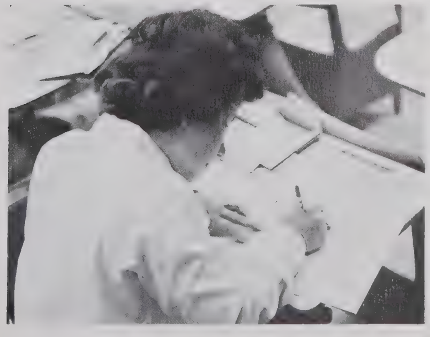


Dorothy Payne works feverishly to transcribe her notes in Mr. Tickle's shorthand class.

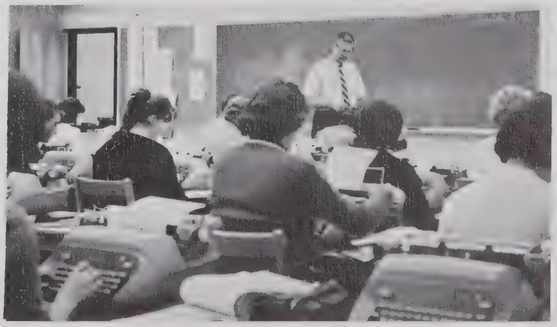
T. Richard Tickle
M.A., A.S.T.C.

Janet H. Auten
M.A., A.S.T.C.

In keeping a dummy set of books, Carolyn Davis finds she must write many checks to her company's creditors.



Students in Mr. Ledford's typing classes learn all the rules to be followed in producing well-typed business letters and reports.



English Department Places Emphasis on Literature, Speech, and Creative Writing

Patricia W. Brookshire
M.A. A.S.T.C.

Elizabeth E. Elliott
M.A., George Peabody

Fred T. Poplin
B.S., A.S.T.C.

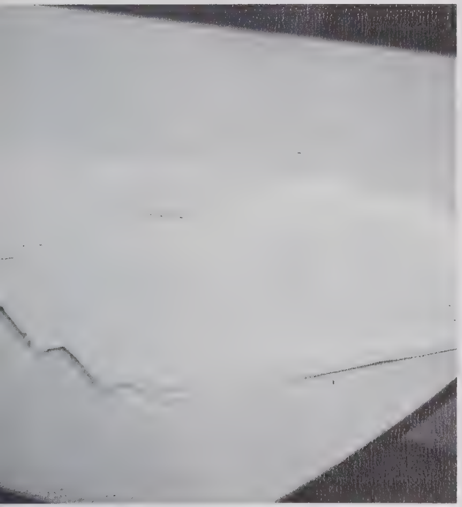
Katie J. Peterson
M.A., George Peabody

Our English Department offers a variety of learning experiences through the many daily activities which include preparing research papers and themes, studying the lives and works of literary figures of the world, giving oral book reports, and general discussion of assignments. The value of this knowledge contributes to our success in other classes, as well as in life.

Mattie Lou Wilson
B.S., A.S.T.C.

Many types of visual aids are used by the English Department in teaching literature.

Mrs. Bradham diagrams predicate nominatives and adjectives for her sophomore English class.



Term papers, term papers. And what a term paper it was! At least we didn't have to grade them.

Even in English classes, there are moments when one may relax and smile.

Paul Sink reports on Shakespeare to his sophomore Engish classmates.

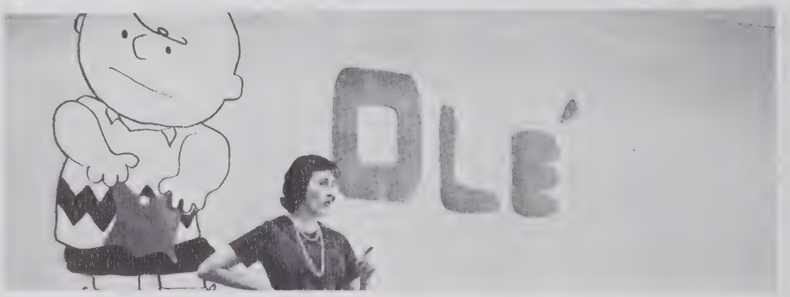
Students Gain Greater Appreciation of French and Spanish Cultures

Spanish students not only absorb the grammar, vocabulary, and accent of this Latin language, but they are also exposed to the culture and beauty of Spain and Mexico. Spanish music, as well as films and publications add realism to the study of this foreign language. An interesting diversion was the visit of a couple, natives of Cuba, who told of life in an actual Spanish-speaking country.

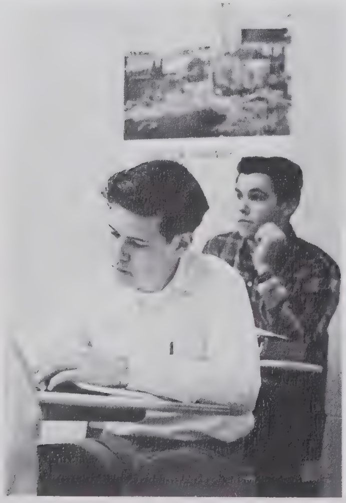
Anita B. Eppley
B.M., U.N.C. Greensboro



Cuban exiles come to speak to Mrs. Eppley's Spanish class.

When did you become interested in Spanish, Charlie Brown?

French students are often overwhelmed at the complexity of learning the proper accent, of memorizing dialogues as they listen to A-LM tapes, and of attempting to conjugate impossible verbs. But at least once this year both levels of French students took a break from studying as they visited the impressive Biltmore House in Asheville as a cultural excursion.



"Will we ever be able to conjugate all these verbs?" wonder Ray Bowkley and Reeves Snyder as they work on assignment for Miss Stiles.

Cynthia L. Stiles
M.A., A.S.T.C.

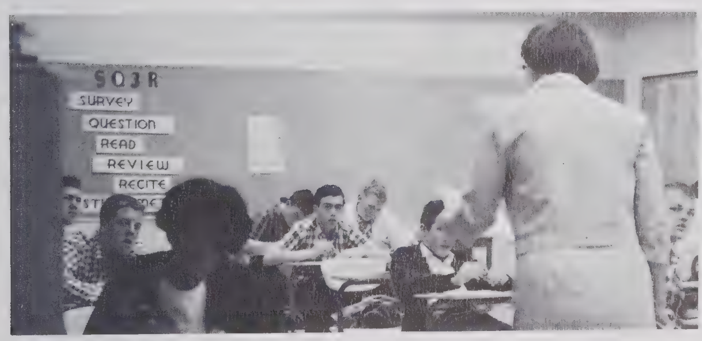
Beth Lawrence concentrates on French recording.

Students Learn Invaluable Skills in Special Reading

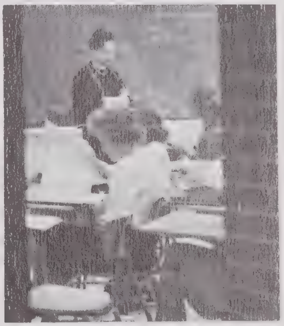
Laura F. Church
M.A., A.S.T.C.

Georgia A. Yates
M.A., A.S.T.C.

This course assists students in developing the essential skill of interpreting written materials. With the importance of reading today's newspapers and magazines in order to be aware of world situations — as well as the many reading requirements of the high school curriculum, this class is indeed a most valuable one. Students also gain a greater appreciation of the fine literature of the world.



Mrs. Church teaches the principles of effective reading so that they may be applied to literature and everyday reading.



Students in Mrs. Yates' reading class listen as technique is demonstrated.

Driver Education Helps to Prepare Alert, Able Drivers

With Drivers Education a requirement for obtaining a license to drive, this is probably the course that more students wish to pass than any other. Extensive classroom instruction along with hours of experience under the wheel will hopefully prepare a student so that he may get his license. Yet, this is only an elementary step in the process of becoming a capable driver.

Bobby F. McConnell
B.S., A.S.T.C.

With classroom behind us, we look forward to "under the wheel."

DRIVER EDUCATION

Nancy W. Penick
B.S., A.S.T.C.

Boone, N. C.

Physics, Biology, Chemistry Involve Hours of Study and

Advanced biology student, Ronnie McCreary, helps in injecting an experimental chick with the hormone testosterone.

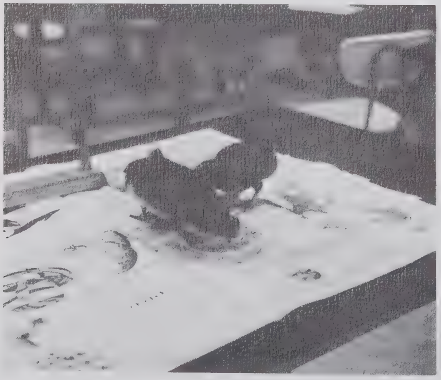
Robert E. Snead
M.A., A.S.T.C.

Walter T. Broyhill
M.A., A.S.T.C.

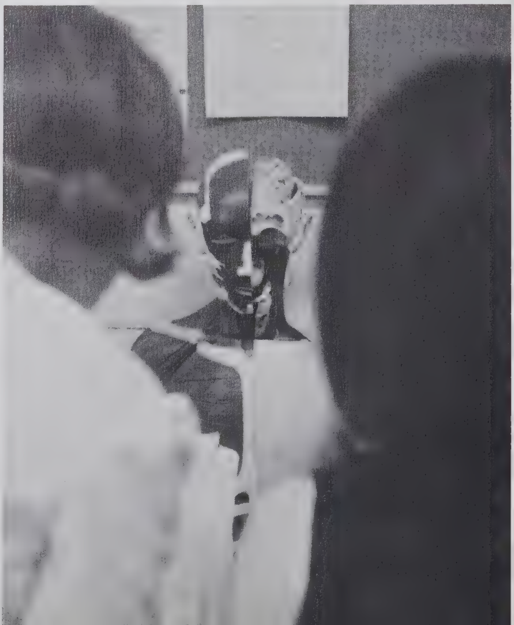
Boyden O. Atwood
M.A., A.S.T.C.

Glenn A. Reese
M.A., A.S.T.C.

Baby chicks in the advanced biology were hatched and raised for experimental purposes.

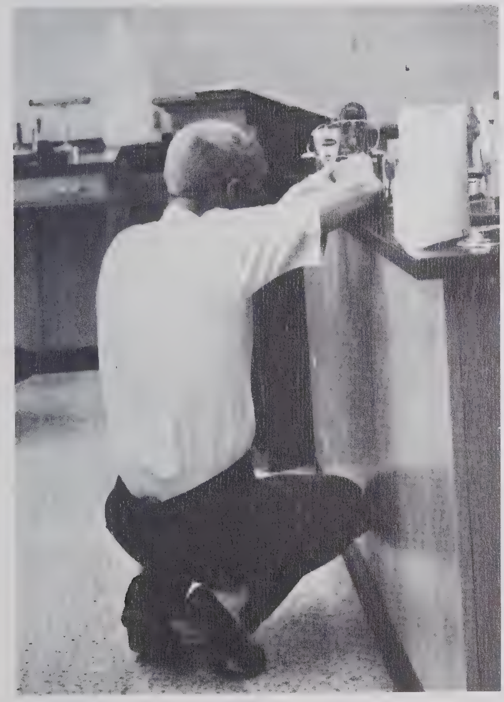


Anatomy is a major topic in the study of biology. Two students are shown studying the internal and external features of the head.



Laboratory Experimentation

It is the over-all objective of the Science Department to promote a deeper understanding of science and how it affects our lives. Through various projects, such as experimenting with live specimens, conducting chemical experiments, studying the human body, and learning related facts, this objective is being accomplished. Conducted also, are individual projects for the purpose of class discussion and mental development, instilling in the students a deeper interest in the wonders of science.

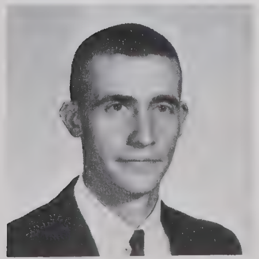


Mr. Broyhill carefully arranged the details for a demonstration.

Students show intense interest as instructor Broyhill demonstrates the operation of the St. Louis motor.

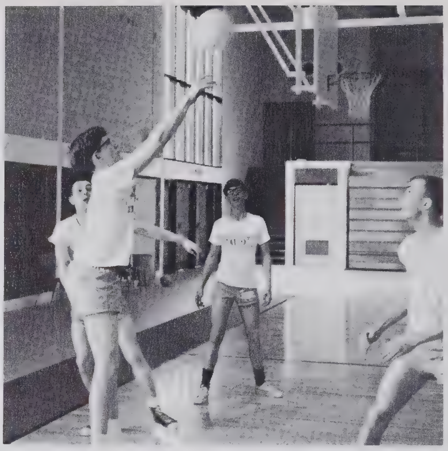
Test time in the physics class require deep concentration prefaced by full preparation.

William E. Edmisten
B.S., A.S.T.C.



Hubert H. Hall
M.A., East Carolina

The ping-pong craze has taken over, so these two girls decide to get ahead with some practice during class.



Andy High and classmates get in a little practice on the side before beginning a game in volleyball.

Robert A. Poe
M.A., A.S.T.C.

Emotional, Mental, and Physical Well-Being Are Sought in P.E. Classes

P.E. classes for freshmen are a combination of building stronger bodies while they learn good health rules. They not only learn physical agility, but they are also shown the proper ways to deal with the problems of growing up. For sophomores and upperclassmen, P.E. consists of a full week of planned activities designed to further develop muscular co-ordination.

Betty L. Fowler

The Study of the Past

Enlightens the Future

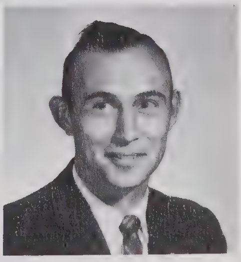
With world situations as they are today, the study of the social histories of humanity is not only of importance in revealing the past, but it also provides guidelines for dealing with the world of tomorrow. Dates, names, events — these may seem rather cut and dry upon first glance, but when viewed in relation to today's world, they become a fascinating mirror of tomorrow.

Doughton L. Greene
M.A., A.S.T.C.

Jerry A. Ritchie
B.S., A.S.T.C.

Mr. Greene sees if student's history assignment is correct.

William C. Ross, Jr.
M.A., A.S.T.C.



Robert C. Thomas
B.S., A.S.T.C.

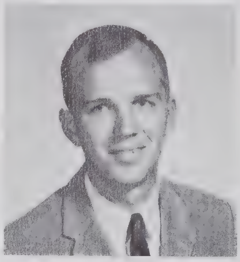
Mr. Wilson directs the Girls' Chorus as they present their spring program to fellow classmates at Watauga High School. This group and the Concert Choir gave many such programs during the year.

James Eugene Wilson, Jr.
M.A., A.S.T.C

Music Appreciation Stressed in All Areas of Program

Barbara Tatum, Iris Proffitt, Brenda Beach, and Janette Payne burst forth with song as they practice for Girls' Chorus.

Linda Johnson practices diligently on her clarinet.



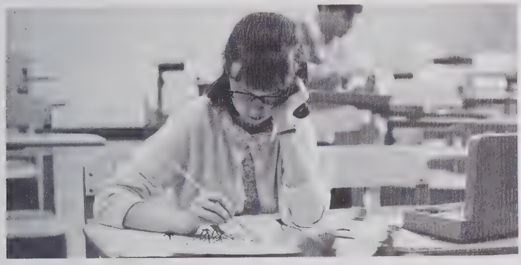
Otis F. Strother, III
B.S., East Carolina
Graduate Assistant

Do-Re-Mi-Fa-So-La-Ti-Do — the basic structure for all music. Our most adequate Music Department strives to teach the many variations of this structure through band, chorus, and general music. Then, after hours of vigorous practice and study, the band and the chorus are able to render the beautiful music so enjoyed during assemblies as well as other special events.

Watauga High School has many students taking instrument lessons. Storing all these instruments requires a great deal of space.

Self-Expression Finds Outlet in Art and Drama

An attempt is made in our art class to develop any hidden talent as well as to instruct all students enrolled in the course how to use pencil, charcoal, pastels, tempera, watercolor, and oils; and styles of different artists also are studied. Drama is enoyed by all students interested in a more outward form of self-expression, and many of these students gain valuable experience in the senior play.



Some prefer to paint portraits, but Glenda Lewis enjoys landscapes. Many of the students discovered a talent which had been hidden.

Betty Lou Wells
M.A., A.S.T.C.

William C. Ross, Jr.
M.A., A.S.T.C.

Linda Love and Janette Payne practice dramatic moods, expressions, and actions under the critical eye of Mr. Ross and other class members.

Natural talent in art finds an outlet in Mrs. Wells' art class. Ricky Ray has won many awards for his paintings.

Ted Brown and Tom Adams enjoy Mr. Ross's demonstration to the class of correct speech enunciation and breathing.

Co-operative Efforts of Businessmen and School Officials

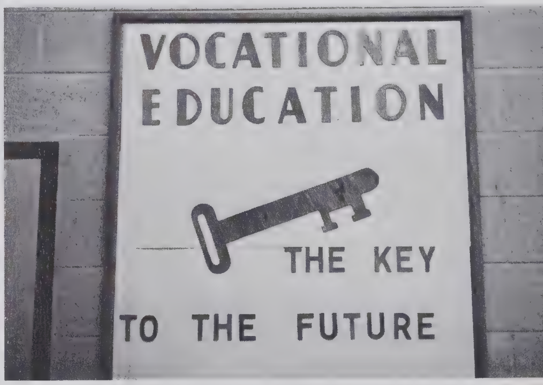
Train Students and Supply Employees for Jobs

The Vocational Department offers students many opportunities. Distributive Education, a program providing instruction for those interested in services necessary in the transportation of consumer goods, is offered to juniors and seniors. Industrial Cooperative Training, offered also to juniors and seniors, provides instruction in a certain skill. A course in Introduction to Vocations is offered to freshmen to help them explore job opportunities available to them.

C. David Greene
B.S., A.S.T.C.

Bobby E. Harmon
B.S., A.S.T.C.

Wanda Michael gets her D.E. work-station credit by working at Boone Drug.

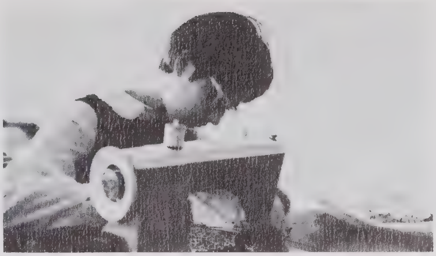


This bulletin-board message is being heeded more and more.

As more and more students receive actual on-the-job training through D.E., employers also will benefit.

John W. Moretz
M.A., A.S.T.C.

Shelby Hampton learns that cooking on too high a heat will burn food as well as take much of the vitamin content from the food.



Sewing can be fun, Toni Whitaker discovers, when one know how to operate a machine and cut patterns properly.

Linda Love eyes with pride the pretty pie crust she has just taken out of one of the department's new oven units.

The Home Economics Department Offers Many Experiences of Value in Learning to Cook and Sew

Kathleen M. Dougherty
M.S., Auburn University

Joyce S. Davis
B.S., A.S.T.C.

Mary E. Henson
B.S., Radford College

"No rest for the weary," thinks Polly Richards.

Home Economics is one of the most valuable courses available for girls. This course offers a wide variety of experiences which are applicable to the many facets of caring for a home. The preparation of foods and the making of garments, along with lessons of etiquette, budget management, the choosing of wardrobes — these are only a few of the learning experiences in Home Economics.

Instruction in Agriculture Geared Toward Modern Techniques

Robert G. Shipley
M.S., Ohio St. Univ.

Joseph N. Banner
M.E., N.C. St. College

There are six major occupational groups in the field of agriculture — production (farming), services, supply processing, and distribution. It is the aim of the agriculture department to seek out the students' potential and help them explore vocational opportunities in this field. Through classroom study, field trips, and actual experience, the department seeks to fulfill this aim.

These boys learn that the use and repair of small engines is a big part of modern day farming.

Mr. Shipley carries on an informal discussion with his agriculture class on poultry production.

After hours of class-room study, these boys have the opportunity to observe many farm techniques.

Students Learn All Types of Mechnical Repair

Robert W. Davis
General Motors

In Auto Mechanics, emphasis is placed on the development of skills in maintaining and repairing mechanical, electrical, and body parts of trucks and buses as well as passenger cars. An attempt is made to develop all-round mechanics and also specialists who deal only with problems in special categories. Those interested will perhaps continue as apprentices.

Welding is valuable in both agriculture and auto mechnics.

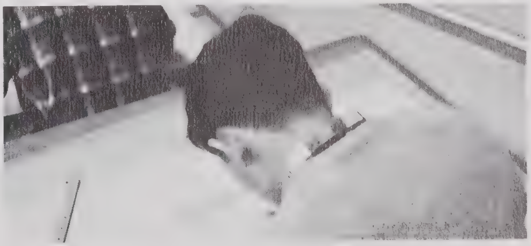
Construction Industires Curriculum Includes Many Occupations

The Vocational Education Department introduces the student to the basic skills and knowledge which will prepare him for occupational competency. Fundamental theories are covered in construction industries and carpentry in order that the student may be fully prepared for seeking employment.

Darrell G. Ward
B.S., East Tennessee
State College

Henry Hicks is getting acquainted with one of the many phases of construction industries.

A construction industries student, Kelly Ellison, works on a metal project.

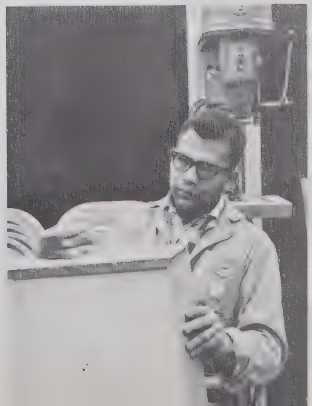


Larry Cline, drafting student, strives to perfect his project.

Woodworking Classes Enable Students to Test Talents

James D. Barker
B.S., A.S.T.C.

Cecil Jackson, carpentry student, puts finishing touches on a table.



Mary E. McConnell
M.A., A.S.T.C.

Joel C. Tester
M.A., A.S.T.C.

Valuable experience is gained by student participators from the college as they observe teaching techniques and students at work.

Student Learn of the Logic

and Precision of Mathematics

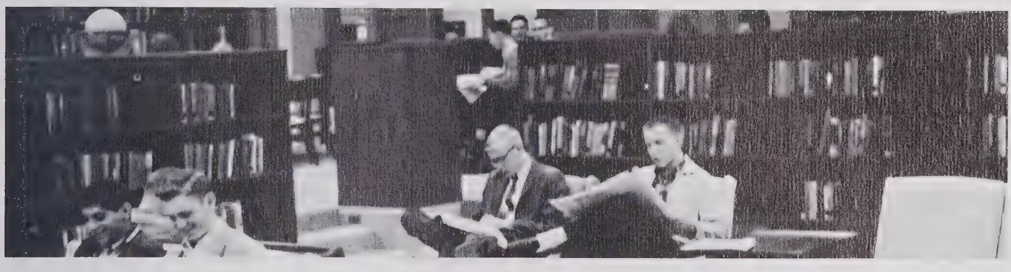
The world of tommorrow demands technicians with a thorough knowledge of mathemetics. To meet this challenge, students are offered courses in general math, algebra, geometry, and advanced math. Mathematicians are needed in space exploration, research, engineering, business and many other fields; therefore, high school students learn the basic logic and precision of this exact science.

Bill Brown
M.A., A.S.T.C.

James H. Moore
M.A., A.S.T.C.

Henrietta B. Patterson
B.S., A.S.T.C.

Geometric theorems and postulates play a big part in instilling mathematics in students' minds.



Students enjoy reading latest newspapers and magazines in modern "reading area" of new library.

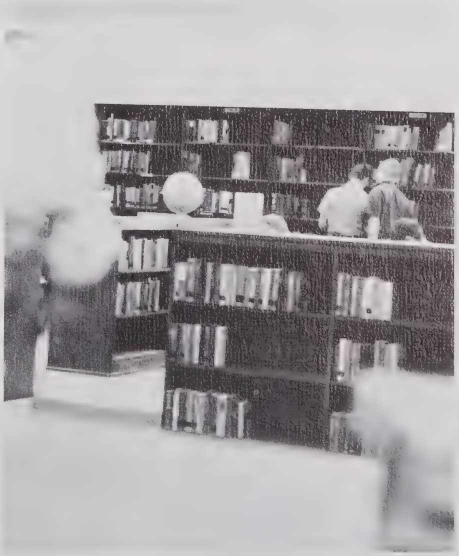
Our Spacious Library Is Both Beautiful and Adequate

The beauty of our school library beckons students to "come on in" and make use of its facilities. A student finds the library not only a place for reference and quiet study, but a place where he can relax while reading the latest newspaper or glancing through various magazines. Competent librarians, working with teachers to aid students, contribute a great deal to curriculum studies.

Lera B. Randall
M.A., A.S.T.C.

Pauline C. Angell
B.S., A.S.T.C.

Students are shown the location of all books early in the year.



Adult Education Classes Draw Much Local Response

The Adult Education program at Watauga High School is designed primarily to aid adults who wish to continue their education, either as training for job up-grading or as advancement toward securing a G.E.D. Equivalency diploma. It is hoped that this program will continue to grow and to give more and more people in the surrounding areas an opportunity to participate.

During the 1965-66 school year, courses were offered in cabinet-making, electricity, horticulture, typewriting, mathematics, English, and welding. It must be stated that Watauga County citizens have shown an admirable desire to further and to improve their education. As a result, the county will benefit by its citizens being self-sufficient and well-rounded.

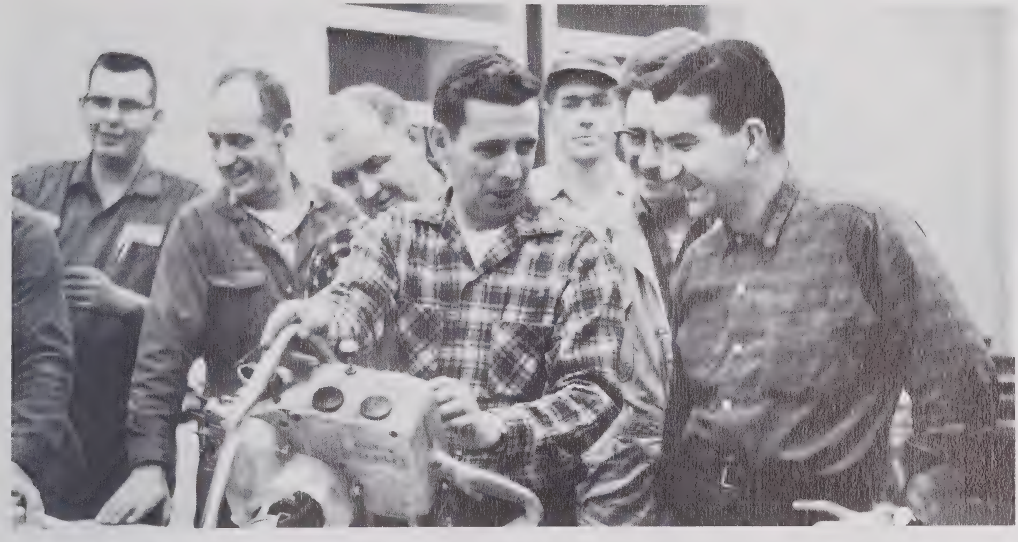
The class in typewriting attracted many ladies interested in either "brushing up" or learning the skill for the first time.

Those adults who registered for English discovered that high school students are not the only ones who need to concentrate.

Instruction in wood-working and cabinet-making proves beneficial to those men who already held similar jobs as well as to the "greenhorns."

Instructor James D. Barker was aided in this class by the ideas exchanged by the students themselves.

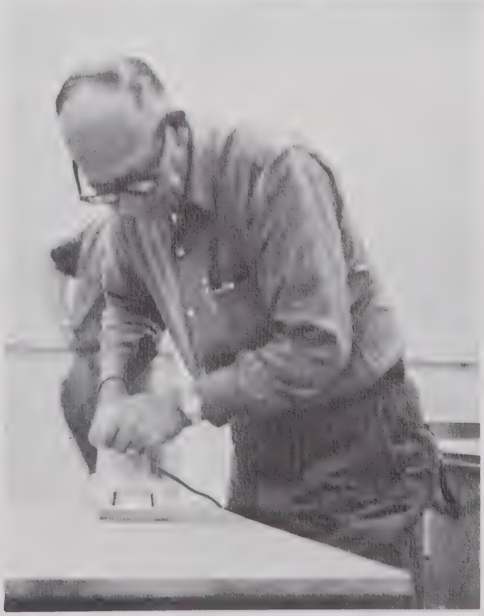
from Local Citizens During First Year of Program



Instructor Freddie Michael demonstrates the proper way to repair a small engine. J. C. Tester, one of our high school instructors, watches.

Mrs. Bumbaugh demonstrates correct typing posture in class taught by Messrs. Harlan Ledford and Richard Tickle.

Student in woodworking class exhibits expertly learned skill in leveling top of newly built cabinet.



High School Gains Services of Full-Time Nurse

Lois E. Harrill
R.N., Berea College

A very capable person joined the faculty rather late in the school year, yet she wasted no time in accepting her responsibilities as the nurse for Watauga High. She not only helps to incorpate health education into as many areas of the total curriculum as possible, but she also screens and refers students for any needed care and helps with any emergencies which arise during the school day.

Mrs. Harrill consults with Mr. Fidler on when medical and dental appointments may be scheduled for students needing immediate care.

A.S.T.C. Lab School Assists in Training of Teachers

J. A. Bergman
Social Studies

The graduate assistants at W.H.S. have contributed a great deal in the various fields in which they worked. These students, who are working toward their M.A. degrees at A.S.T.C. while teaching partime here at the College's laboratory school, gain the opportunity for actual teaching situations. This background will be of invaluable aid when they go out into the field as full-time teachers.

John P. Steen, Jr.
Biology

Roger Lee Harwood

Louise Cummings
English

J. F. Straughan, Jr.
Physical Education

Competent Workers Add to Success of Our First Year

With two very competent secretaries hard at work, the job of handling financial transactions, letter writing, and bookkeeping duties was taken care of efficiently. These ladies, with additional help from business students, have contributed to the successful administration of this, our first year at W.H.S. Their capable work has added to the necessary organization to comprise a smoothly run school.

Although providing 1,100 students daily with nourish hot lunches is an overwhelming task, Mrs. Smith and her assistants have done a very capable job this year. The beauty of the cafeteria has also added pleasure to the lunch hour. These workers have also provided meals for many important school and civic affairs including our Athletic Banquet.

School secretary, Mrs. Gladys Shelton (left) and assistant secretary, Wanda Farthing (rt.) contributed greatly toward year's success.

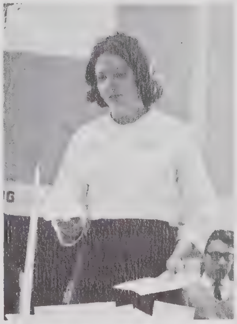
Mrs. Ressie Smith (third from left) and her lunchroom staff find that serving a large high school requires organization and quick service.

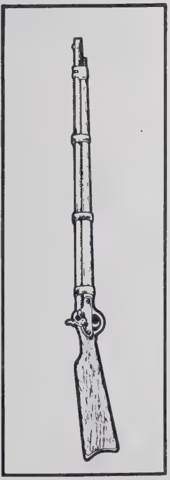
A neat, clean building is an important part of school life. Our group of maintenance workers labor day by day to insure aseptic restrooms, shining floors, and immaculate classrooms. The surroundings of the building are also cared for by these workers. The favorable impressions of the neatness of our school may be attributed to their hard work.

Claude Norris, Leroy Kirkpatrick, and Tommy Frady, Chief Custodian, get little rest.

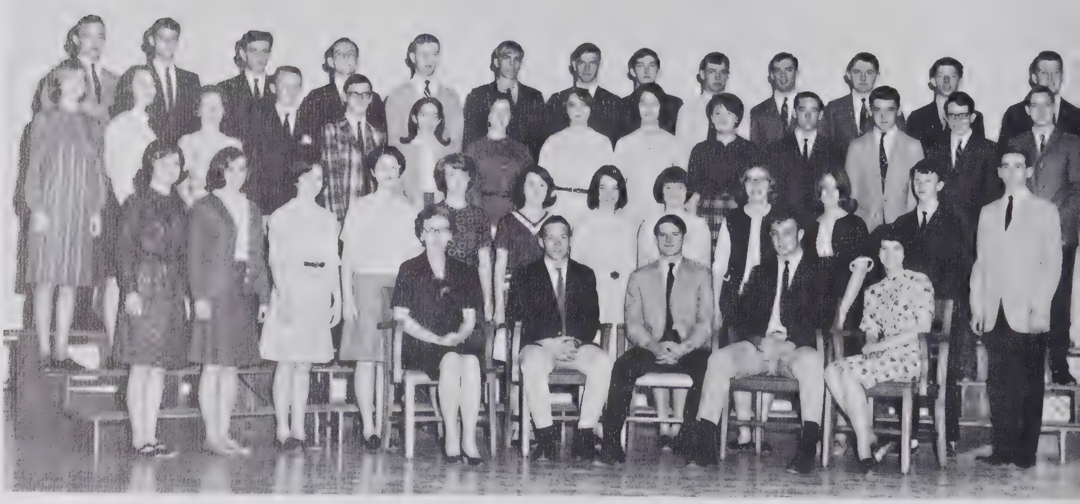
With all the paper and school materials constantly disposed of by teachers, trash collection is a big problem for the custodians.

ORGANIZATIONS





I think it started down its pathway bright,



Student Council

Janie Shipley recognizes citizens of the month.

Mr. Ross cares for coveted tiger, given daily to the homeroom selling the most magazine subscriptions. The magazine sales this year ended most successfully.

Student Council

Every path must have a beginning, a point from which to start. The Student Council started the pathway that lead through this, Watauga's first year. The first step was to elect our leaders, and an exciting election it was. Mike Wilson emerged victorious as the first student body president.

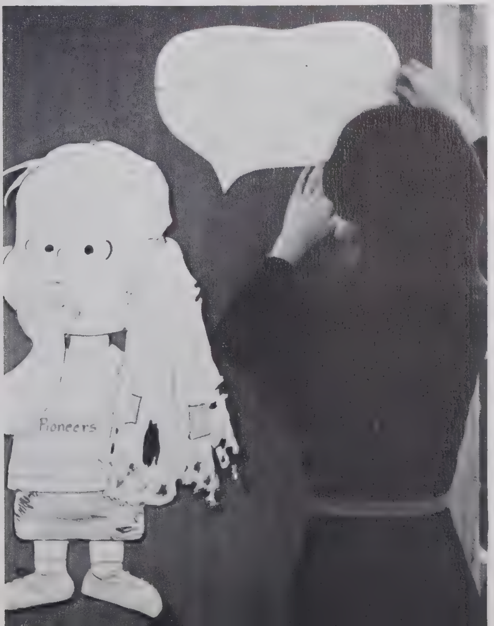
The council consists of the four officers and one representative from each homeroom. These students, with the assistance of Mrs. Gragg, the faculty advisor, established a constitution, initiated a good-citizenship program, scheduled dances, established clubs, and held assemblies. Council members served as student hosts to various groups of distinguished visitors, and proudly conducted tours through the building. The main project of the year was the magazine sale, which provided money for badly needed books and equipment, but more than this, it united the student body in the joint effort of striving for progress. The council also sponsored a good sportsmanship week, bringing the qualities of a good sport to the attention of the students through bulletin boards and speeches.

Many precedents have been set this year that are good and lasting, thanks to the Student Council.

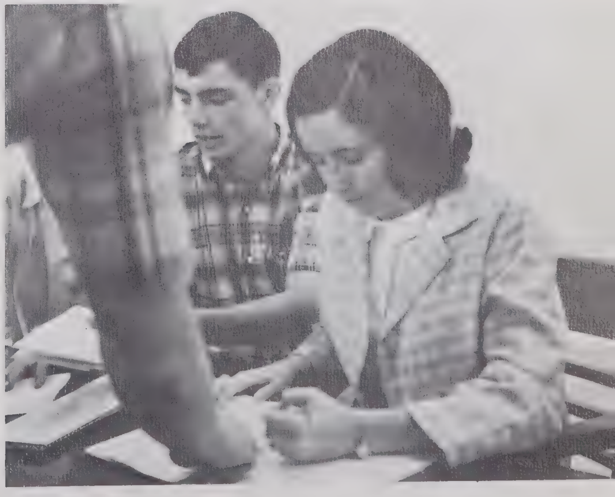
President Mike Wilson studies notes before calling Student Council to order for the regular weekly meeting.

Magazine Sale is Big Success

Freshman Ollie Jackson puts up one of the bulletin boards designed especially for "Good Sportsmanship Week."



Students Mike Sink and Melinda Robinson register voters for election of next year's student body officers.



The Annual Staff Proudly Presents

The Musket Staff

Nineteen people signed up for a class in annual. Under Mrs. Janet Auten's leadership, the initial steps were taken to publish Watauga's first annual. Mary Darwin Marsh and Janie Shipley were chosen co-editors and other positions were assigned. These people put their heads together and came up with a list of possible titles for the yearbook. The list was submitted to the student body who chose to call this annual THE MUSKET.

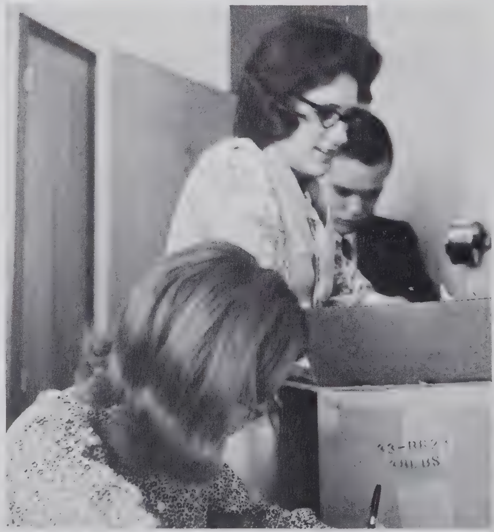
The year did not truly begin until December when the co-editors and the lay-out staff visited Cambridge, Maryland, where American Yearbook Company representatives explained principles which make an annual good.

Yes, this has been a hectic year, but hours of hard work made it! Here it is — your first edition of **The Musket.**

Co-editors Mary Darwin Marsh and Janie Shipley check diagram to be sure that each page contains proper material.

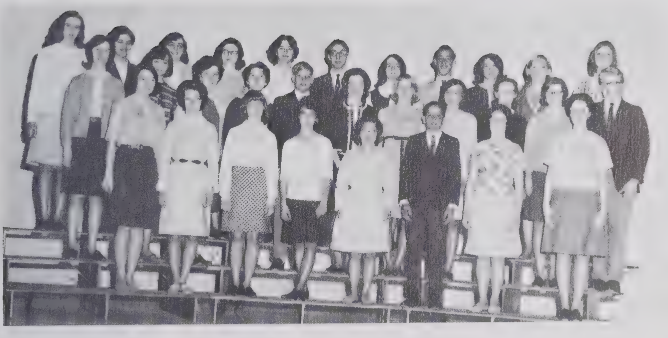
Lay-out editor Randy Hart instructs his assistant, Craig Austin, in procedure to be used in laying out school's first yearbook.

Classes editor Velma Campbell (bot.), assisted by Betty Hodges and Craig Austin, begin the long task of sorting class pictures.



American Yearbook representative Bob Anderson checks with sponsor Mrs. Auten on possible publication date for THE MUSKET.

Volume I of **THE MUSKET**



A representative from each homeroom serves in the circulation deaprtment. It was the job of each of these students to take subscriptions for THE MUSKET.

Advertising manager Elaine Clawson (l.) and assistant, Diana Church, look for ideas.

Photographer Palmer Blair must carefully focus the camera on his subject.

Organizations editor Becky Wilson (r.) and aide Sue Sherwood decide on club pictures.

Sports editor Yogi Wilson (r.) discusses his ideas with aides Mike Wilson and David Risk.

Circulation manager Imogene Fortune (ctr.) busily with the aid of Kay Miller and Becky Rhodes.

Features editor Kathy Broadbent (l.) consults Norma Stansberry on the most suitable picture to use of one of the year's events.

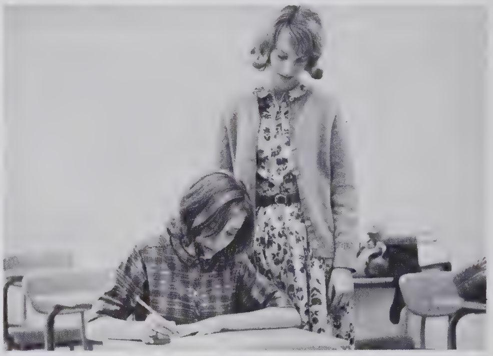
Paper Staff Reports

Powder Horn Staff

Deadline — tomorrow! The newspaper staff works long after school hours completing editorials and putting the finishing touches on copy and pictures. This is a familiar scene for the staff of THE POWDER HORN, but after printing there is still the matter of distribution. Through the student council representatives, the papers are sent to each homeroom to be sold.

The staff — headed by Miss Delilah Lesley, adviser, and Velma Cambell, editor — can be commended for a job well done.

Editor Velma Campbell and sports editor Johnny Coe carefully check every detail before **The Powder Horn** goes to press.



Gail Greene undertakes a major task of the paper staff — writing! Many articles are written on every aspect of student affairs.

Members of the senior class eagerly crowd into Miss Lesley's room to receive the latest edition of the school paper.

Gail Greene proudly inspects the very first edition of **The Powder Horn.** Through this school paper, students keep abreast of school events.

POWDER HORN

Sports Events and Daily Happenings

ROW 1. Mary Tipton, News Editor; Miss Delila Lesley, Sponsor; Velma Campbell, Editor; John Coe, Sports Editor; Lillian Miller, Features.

ROW 2. Jack Shook, Reporter; Patricia Greene. Features; Delema Shore, Reporter; Leita Glenn, Reporter; Steve Hampton, Reporter

There are many finishing touches to be added to the paper before it goes to press, and Miss Lesley will quickly confess that a sponsor must do her share of the work.

Band

Watauga High School Band

Watauga High School Majorettes. **ROW 1:** Kathy Dotson, Chief. **ROW 2:** Diane Hagaman, Jenny Lou Robinson. **ROW 3:** Beth Lawrence, Terry Hollars, Nancy Stacy.

Earns Superior Rating

Band

2:08 p.m. — The bell sounds; band members rush from their fifth period classes, and immediately assemble their instruments. So begins another period of hard work, practicing for the many events in which the band must participate. First there was marching music to learn for the football season, then preparation for the winter concert, dedication, and spring concert. The one event, however, which required the most concentration was the State Band Contest. The band and director, Otis Strother, left for Greensboro with mixed feelings, but there was no need for doubt. The W.H.S. Band returned bearing the plaque given only to superior-rated bands.

Mr. Shelton of Lions Club presents "Arion Award" to Bruce Oland.

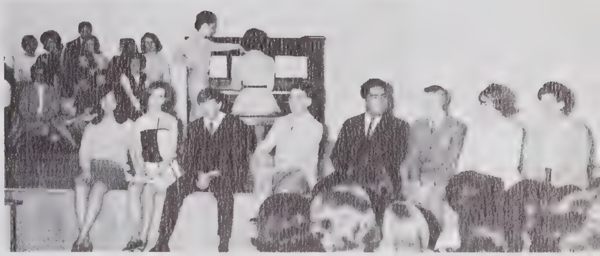
Donnie Fidler concentrates on music for annual band contest in Greensboro.

Mixed Chorus

Ensemble

Chaos reigns backstage as singers dress for chorus concert.

Choral Groups Entertain at P.T.S.A.



Closed Harmony Octet sings the beautiful "Shenandoah" at concert.

Girls' Chorus accompanist, Beth Williams, spends hours practicing.

Chorus

If one had passed by the music room this year, he might have heard the light-hearted strains of such popular songs as "The Sound of Music," or the moving sounds of such as "Sing To The Lord All Ye Nations." Choral students displayed their talents at the Mars Hill Choral Festival and the Choral Festival in Greensboro. Each choral group, directed by James E. Wilson, represented W.H.S. well in the field of music.

Beta Members Attend Asheville Convention

Patrolman discusses points of safety as part of a Beta program.

Beta Club

The highlight of the Beta year is the convention. This year twenty-seven Betas accompanied by sponsor, Mrs. Randall, attended the convention in Asheville. (Mrs. Randall also served as state Beta sponsor.) Immediately they were caught up in the whirl of campaign activities. There were lectures, campaign speeches, discussion groups, and free time for just having fun.

The excitement of a convention is by no means the important part of the Beta Club; it is what the club stands for. A Beta can be proud of the fact that he was chosen as a result of his high scholastic standing, outstanding leadership abilities, high principles, and dependable character.

Watauga can be proud of the large number of outstanding students who are members of The National Beta Club.

Lettermen's Club

One can always recognize a letterman by the big blue "W" on his sweater or jacket, and it is with great pride that these boys wear this letter. It symbolizes many hours of hard work and practice in various phases of athletics. It signifies their competitive spirit, physical fitness, and sense of fair play.

The Lettermen's Club earned money for the senior jackets by publishing and selling programs and selling concessions at the wrestling tournament. They ended the year with a picnic for lettermen and their dates.

These exhausted picnickers find a spot where they can just relax.

Lettermen Represent Athletic Achievements

After an exciting softball game, the picnickers come to the best part — the food!

At last proud senior receives jacket.

The members of the Lettermen's Club are continually striving for higher goals in the field of athletics.

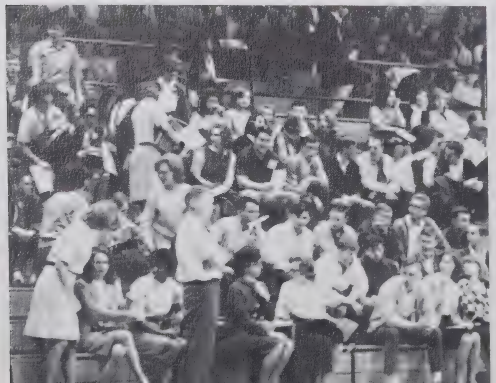
Students Help Boost Pioneer Spirit

Pep Club

"Have you got that spirit?" "Yeah Man!"

This was the sound that roared throughout the student cheering section at basketball games. Under the leadership of Mr. Robert Snead, the students were organized into this special section, where they could sit during the game and follow the cheerleaders in yells and chants to support the Pioneers. The Pep Club emphasized good sportsmanship. It was their belief that one could support his team with all his energy, and still maintain respect for the opposition.

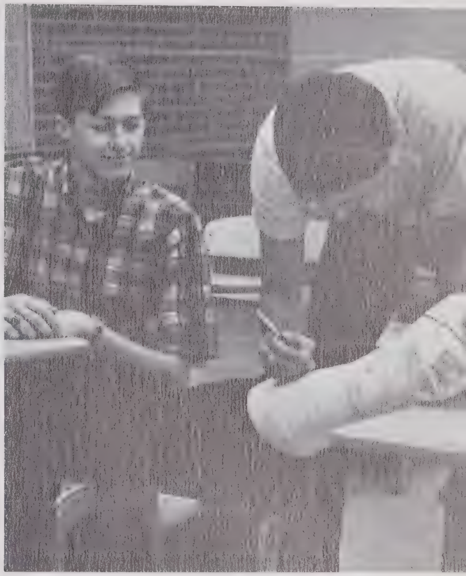
Pep Club sponsor, Bob Snead, pensively stares onto the court as students gather in the cheering section just before the game.



The student cheering section comes alive in a jubilant cheer as the Watauga Pioneers score two more valuable points.

Sponsor Richard Tickle demonstrates the basic snowplow.

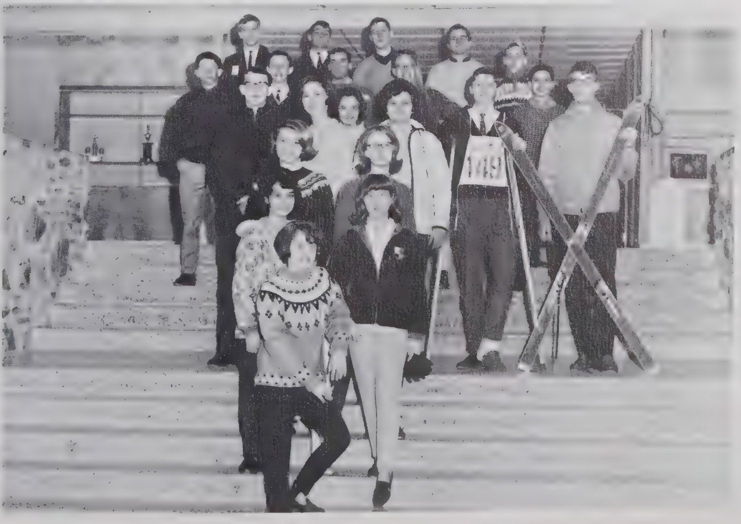
Palmer Blair, who started the Ski Club, zooms down the slope in fine style.



Greg autographs the cast of ex-skier Keith McGuire, who broke his leg at the third skiing session.

Skiers Hopefully Await Snowy Weather

Kathy Broadbent. **ROW 2.** Cecile Flowers, Janie Broadbent. **ROW 3.** Jenny Lou Robinson, Velma Campbell. **ROW 4.** Mary Marsh, Janice Ayers. **ROW 5.** Jimmy Marsh, Diane Hagaman, Keith McGuire, Palmer Blair. **ROW 6.** H. J. Cottrell, Larry Cline, John Coe, Brick Miller, Duffy Decker. **ROW 7.** Bruce Oland, Yogi Wilson, Ron McCreary, Randy Hart, Donald Fidler.



Ski Club

Weeks of deep snow meant only staying at home and watching television for most students, but not the members of the Ski Club. They organized late in January under the leadership of Richard Tickle and Palmer Blair. From January until the latter part of March, each cold Friday meant a trip to the Blowing Rock Ski Slopes for skiing lessons.

Every member of the Ski Club agrees upon one fact — that it was fun! Fun learning to ski and meeting others on the slopes — even if it was just after you had knocked them down.

FFA to Co-Sponsor Summer Horse Show

This horse, owned by sponsor, Mr. Shipley, is one of the many to be exhibited in the horse show.

FFA

The first meeting of the Future Farmers of America brought response from many interested in agriculture. Although the organization of FFA in Watauga High School is still in the beginning stages, this year's club will undertake its first major project, which is co-sponsoring the Cove Creek Horse Show.

FFA boys visit a local farm as a part of their agriculture studies. "Learning by doing" is a phrase that can certainly be applied to this field.

Boys Show Interest in Outdoor Life

Wildlife Club

The Watauga High School Wildlife Club, under the leadership of Mr. Robert Thomas, devoted its time to the study of nature. One of the highlights of this year's programs was a lecture presented by a local forest ranger who talked to them about Watauga county's wildlife and how to care for it. Through weekend camping trips and long hikes, club members observed this wildlife and put into practice the things they had learned. They emphasized hunting safety and the conservation of resources. Fresh air, hunting, fishing, and sleeping under the stars were only a few of the many activities enjoyed by the boys in the Wildlife Club.

FTA Proudly Receives Their National Charter

FTA

Everyone asks, "What are you going to do when you graduate?" For FTA members maybe the answer will come a little easier this year. During the year club members have had the opportunity to learn some of the requirements of teaching by helping teachers with work such as recording grades and checking daily attendances. The programs at the meetings were designed to show Future Teachers the many aspects of teaching as a profession.

The highlight of this year's work was when Dr. Miller presented the club with its charter from the National Future Teacher Association.

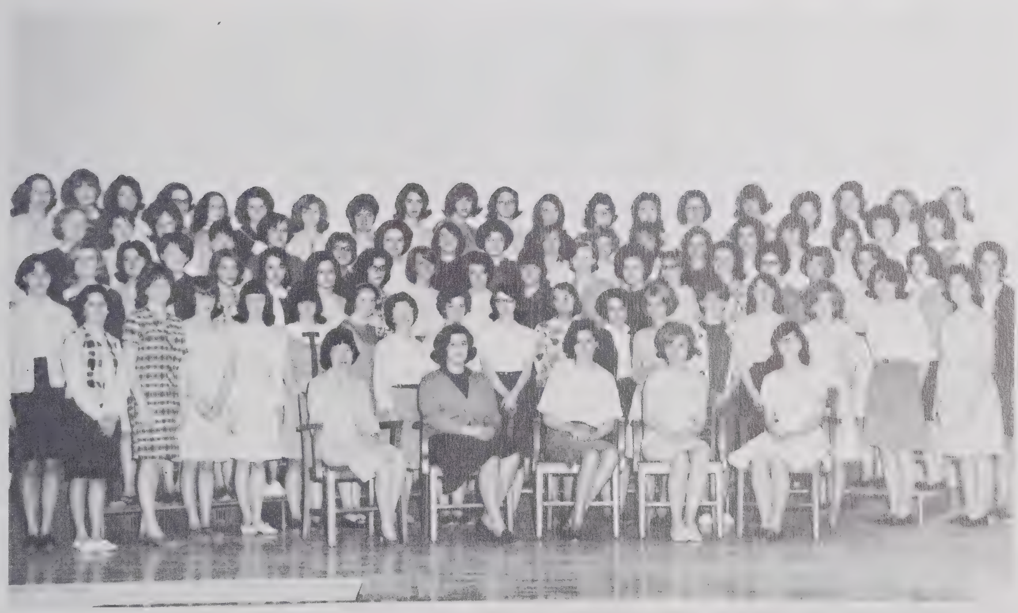
FHA Presents Fashion Show

FHA

The girls of the Future Homemakers of America are dedicated to the art of homemaking. They are continually seeking ways to put such skills as cooking and sewing into practice. This year they did this by giving a fashion show in the school auditorium. They modeled many clothes of their own creation. They exibited clothes for formal wear, for sports, and for school. The husbands of the future have nothing to worry about as long as the FFA produces homemakers like these.

Models give audience one last look at fashions.



A guest model shows the girls a beautiful formal, and invites them to prepare for a wonderful evening at the junior-senior prom.

D.E. Members Attend Leadership Conference

Judy Tester takes her turn at concessions.

D.E.

The major project of the Distributive Education Club was its visit to State University in Raleigh to attend lectures on leadership, salesmanship, and the characteristics of a good business. In addition to their part-time jobs uptown, the members have also contributed their time to other club projects, such as the concession stand in the student lobby, which was open during each basketball game.

Drivers Responsible for Student's Safety

Bus Drivers

Students rush to their buses to begin the long ride home. Bus drivers are there waiting with buses started ready to pull out.

SCH
SCHOOL BUS
CAUTION SCHOOL BUS

Out of all organizations the Bus Drivers were the most dependable. Drivers were trained and tested to prove that each was a careful, reliable driver. Here in the mountains, the daily routine of transporting elementary and high school students to and from school was often interrupted by ice, snow, and dense fog.

In addition to the driving, each driver was responsible for the maintenance of his bus. It was his duty to put on the chains, close the windows, sweep the aisles, and keep it running.

A student is in charge of each of these buses and the students who ride them. He must deliver them safely to and from school each day.

Head Coach Bob Poe (ctr.) discusses the Pioneers' season schedule with Line Coach Dick Tickle and Backfield Coach Bill Brown (r.) before beginning an after-school work-out.

WATAUGA HIGH

Becomes Football Team To Watch

Quarterback Wilson and downfield linemen look on as West Wilkes bogs down the Pioneer offensive.

It is never easy for a new school to enter a new conference. This year the Watauga High football team had to "break the ice" into a 3-A conference already recognized as one of the roughest in the state. Coach Poe was determined to make this first team a winning one. This was to be a season of "Suck in your guts!" "Get ready for next week."

And the team came through. Defeat had to be tasted before victory could be appreciated. After a streak of bad luck, the Pioneers changed their trend and beat Hickory, 28-19. By the time the last game of the season rolled around, Watauga had become the team to be closely followed by all.

Tournament at Belmont

Rutherfordton	63	61
Valdese	44	60

Coach Lentz issues last-minute advice.

With the close victory of 59-57 over the Hickory Tornadoes, the Pioneers knew they had it sewn up. They went on to beat Lenoir and Morganton to capture the Northwestern Conference Championship in their first year of play in this tough 3-A competition. Due to this, the team journeyed down to Belmont to participate in the Bi-Conference Tournament and ended the season with the outstanding record of 19 wins and only 3 losses.

The team got off to a good start by winning their first eight games, and the gymnasium was always packed with spectators screaming the Pioneers on to victory. The only opposition that faced Watauga was put up by Hickory and Valdese, and in the end when the conference records were compared the Pioneers were ahead of both of them.

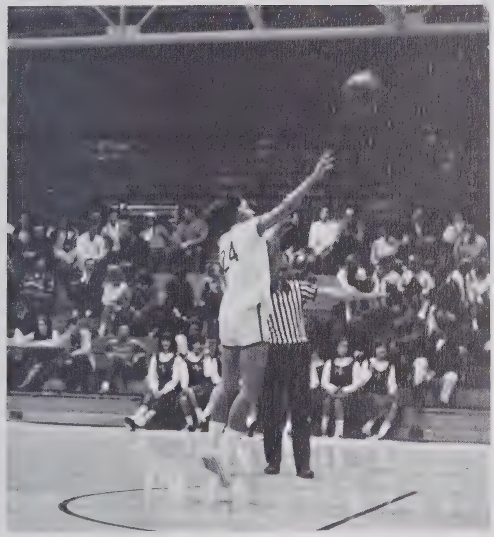
Watauga High School J.V. Basketball Team

Inexperience Proves To Be Detrimental to W.H.S. Girls

For the first time in two years, girls' basketball again became an active sport in Watauga County. Due to this inactivity, many of the girls faced the season inexperienced in this new and tough 3-A conference. It proved to be a trying season for the girls, but they must be commended for their hard efforts and perseverance when the odds were all against them.



Gail Combs shoots for basket as game nears last seconds of play.

Up and up the ball goes, who controls it nobody knows.

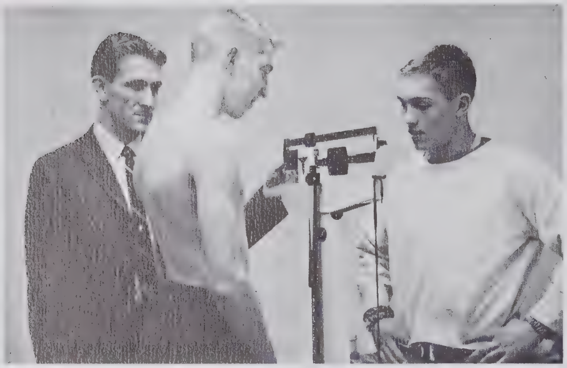
Wrestling Team Is 1966 W.N.C.H.S.A.A.



Under the watchful eye of Coach Bill Brown and teammate Scott Stanbery, Lee Stroupe weighs in before a conference wrestling match.

The wrestling team, under the sure guidance of Coach Bill Brown, really worked hard on the mats this year, turning in a very creditable record of 8 wins and 3 losses in the regular season. Because of snow and bad weather, some meets had to be postponed, and practice itself was interfered with.

Despite all of this, the boys continued to perform well; and 9 of the team qualified for the Western North Carolina High School Activities Association Wrestling Tournament, in which the Pioneers became the 1966 runner-up. Seven of the boys placed in the tournament, with Scott Stanbery and Stanley Carroll becoming first-place champions.

Coach Brown and the wrestling team have set a high standard to be equalled by the coming teams at Watauga High School.

ROW 1. Rock Miller, Manager; Keith Miller, Curtis Williams, Lee Stroupe, Harry Yates, Stanley Carroll, Larry Norris, Gary Paul Greene, Danny Hayes, Danny Watkins, Mark Thalheimer. **ROW 2.** Ray Watson, Manager; Danny Tester, Jerry Norris, Dana Moretz, Scott Stanbery, Sonny Cook, Steve Greene, Steve Hampton, Larry Gill, Jerry Hayes, Coach Bill Brown.

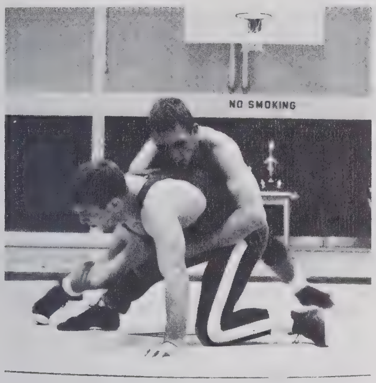
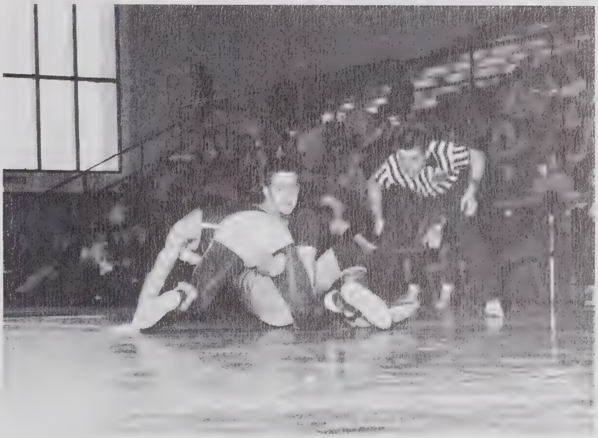
Win First Place Titles in Tournament Meet

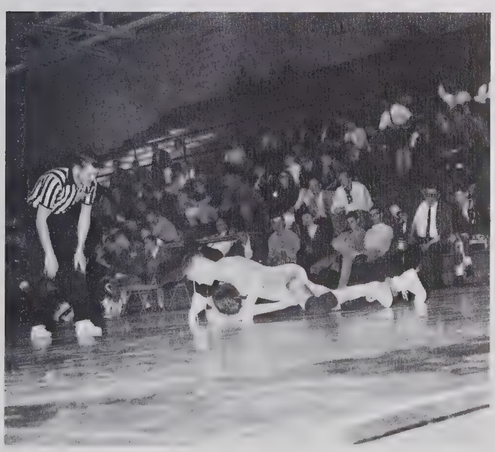


Scott Stanbery has the advantage over his tournament opponent as the clock ticks away the time.



Jerry Norris struggles to retain his advantage over his opponent. These boys require a great deal of stamina and strength.

Larry Norris makes one last attempt to pin his man. Sometimes it seems the referee lets a pin go by.



Even when an advantage is gained, it isn't always easy to turn it into a quick two points, Danny Hayes finds.

Golf Team Finishes Rainy First Season

Gary Meeks, H. J. Cottrell, and Mac Stroupe tally up their scores for the day.

With Coach Broyhill giving them every hint he knew and with only two seniors on the team, the W.H.S. golfers swung their way to second place in the Northwestern Conference. They came out with a record of 22 wins and only 5 losses. This record is even more distinguished when it is considered that like so many other teams at Watauga this year, the golf team was faced with the unconquerable problem of bad weather.

With many capable underclassmen on this year's team, the golfers should be able to keep up the good show in '67.

Track Team Plagued by Bad Weather on Home

Warm-up on the track field . . .

There were only two track meets held this year due to the weather. The boys placed third in the first meet and finished fifth in the Northwestern Conference Track Meet.

Six of the boys journeyed to the Bi-Conference Meet in Shelby, and three went on to the Western North Carolina High School Activities Association Track Meet. Here, John Winkler received the gold medal for the shotput, and Mike Trivette was awarded the silver medal for the discus throw. Greg Nichols ran the half mile in 2 minutes and 9 seconds.

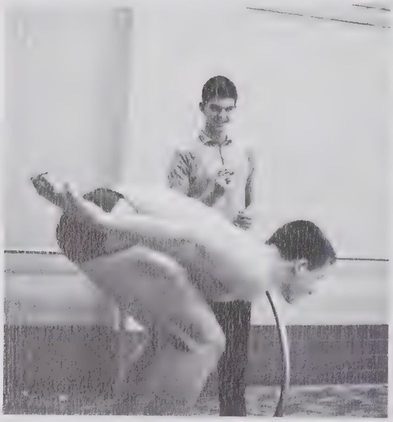
W.H.S. Swimmers Gain Experience from College Workouts

Andy Rigsby makes a final surge toward the finish line.

Watauga High was unable to schedule any swimming meets this year, but three boys from the school decided to participate with the A.S.T.C. swimming team for the experience and conditioning it would give.

Two of the boys will be back next year and the training they received this year will certainly help as a foothold for the Pioneers. The interest in this sport is mounting.



Coach Straughan prepares to time Craig Rigsby in swimming competition.

Andy Rigsby, Jimmy Brooks, and Craig Rigsby prepare to take the big plunge.

Different stroke techniques shown by underwater shots.

Jimmy Brooks surfaces after a perfect back dive.

Errors Costly to Watauga Nine

Watauga High's First baseball season proved to be a rough one. In spite of a losing start, the players worked hard and, under the skillful coaching of Andy Reese, made a vast improvement as the season progressed. The pitching staff did an especially fine job. Southpaw Robert Shearin closed out the year with an ERA of 0.72. Pitcher, Rick Hodges, led the team in batting.

The diamond is now deserted and the uniforms have all been checked in. But not for long — next season the WHS baseball team will be out there striving to equal and exceed the start the first squad gave the school.

Athletes Rewarded for Outstanding Performance,

Athletic Awards

The awards banquet began in a relaxed, festive mood. Everyone enjoyed a delicious meal and a speech by former Duke basketball star, Rev. Crowder. Then the relaxed mood changed to tension, as each coach made his award. A hushed audience listened as a deserving athlete's name was called, then applause of approval rang out. To climax the evening, the students of WHS were presented with the coveted sportsmanship trophy. The mood then changed to swelling pride as each student realized they had been selected as the best sports in the entire conference.

Adults and athletes alike gather for presentations of awards.

This year, in order to honor those seniors who have proven themselves to be outstanding students and citizens in all phases of their high school lives, the MUSKET staff sponsored a "Who's Who" composed of the twelve outstanding seniors of the 1966 graduating class.

The twelve students were elected by the entire faculty from a list of nominations submitted by a senior faculty committee. All of the "Who's Who" nominees possess a better-than-average scholastic record. Nominations were also based on citizenship, service to the school, character, dependability, initiative, participation in school activities and athletics, and a genuine interest in the life of their school and fellow students.

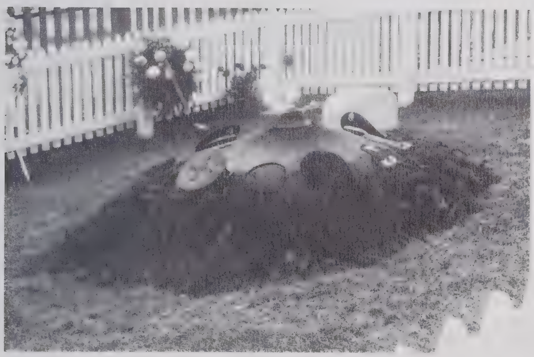
Yearbook Staff Members Travel to Cambridge, Maryland

Randy and Janie listen to yearbook artist Mark Stewart's remarks concerning lay-out while Mrs. Auten glances through books from other schools.

MUSKET staff representatives Mary Darwin Marsh, Janie Shipley, Randy Hart, Craig Austin, and Mrs. Auten, adviser, were the guests of AMERICAN YEARBOOK COMPANY for three days in December when they traveled to Cambridge, Maryland, for a two-day tour of the Company's plant and then on to Annapolis and Washington, D.C., for the third day made up of sight-seeing.



A visit to Washington would not be complete without a visit to the grave of President Kennedy. The eternal flame held a special fascination for all.

The tired sight-seeing group enters the nation's capitol, where the huge rotunda was of particular interest to everyone.

Nowhere does one feel a sense of patriotism more than when visiting Arlington National Cemetery.

A visit to the Naval Academy in Annapolis was a special treat to all tour members, especially the girls.

Student Lobby Becomes "Dogpatch, U.S.A.," for Hillbilly Event

Sadie Hawkins

Dressed in their patched blue jeans and worn-out shirts, the students gathered around the student lobby for the annual Sadie Hawkins Dance. Most students responded to the spirit of Twirp Week by dressing as Li'l Abners, Daisy Maes, and Mammy Yokums in their "Dogpatch" best. Twirp Week and the Sadie Hawkins Dance, sponsored by the sophomore class, was informal fun enjoyed by all.

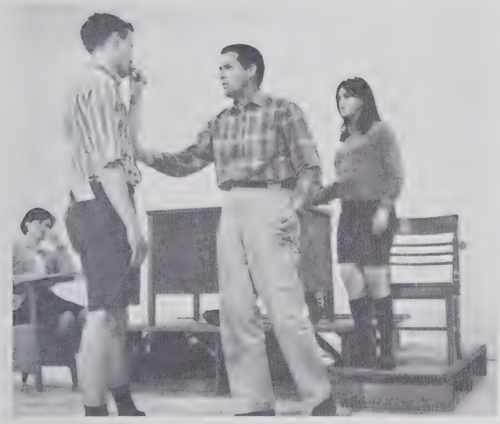
Randall Thomas brings his "moonshine" jug.

Hillbilly David Clawson shows off new Sunday shirt.

John Rainey, Steve Burris, Jimmy Deal, H. J. Cottrell, Freddie Hatley, Lee Jackson (Li'l Abner"), and Tom Adams line up for a fashion review.

Three mountain clans are represented by Norma Stansberry, Glenda Ragan, and Sue Cole ("Daisy Mae") as they look for beaus.

Seniors Stage "The Night of January Sixteenth"



Mr. Bill Ross, director of the senior play, coaches Frank Hayes who portrayed Larry Regan, a notorious gangster.

Smug-looking Homer Van Fleet, private detective, portrayed by Andy Rigsby, testifies that although he was inebriated his actions were credible.

Senior Play

The talented class of '66 presented Anne Rand's "The Night of January Sixteenth," under the eye of director Bill Ross. The play was a comedy-drama in three acts and was a Perry Mason situation. As a result of all the hard work put in by cast and director, the play was a success, netting $500 toward the purchase of the senior class's gift to the school.

The play featured a cast of nineteen people: John Winkler, Bobby Shirley, Carol Hagaman, John Coe, Janice Lewis, Bruce Oland, Phyllis MacBryde, Donald Fidler, Velma Campbell, David Rigsby, Yogi Wilson, Becky Wilson, Regina Langdon, Ron McCreary, Sue Cannon, Ted Brown, Frank Hayes, Rita Johnston, and Janice Ayers.

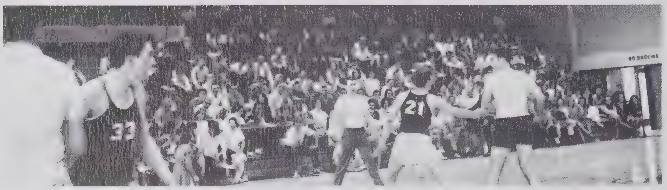
Yogi Wilson, alias Elmer Sweeney, exaggerates the size of the gun which John Coe holds.

"It was a dirty trick, judge," purrs Rita.

D.A. greets the widow Faulkner and her father.

D.A. (John Coe) addresses jury.

Juniors Honor First Senior Class of Watauga High



Mr. Fidler tries to get rid of ball but can't find a receiver as referee Caudill closes in.

Faculty-Junior Ball Game

As a means of raising money for the Junior-Senior Prom, the junior class sponsored a faculty-junior basketball game which turned out to be a huge success, with students getting to see their favorite male teachers let their hair down. The skill wasn't so great, but profits were.

Mr. Ross attempts a foul shot. Dr. Miller watches with hope, but he knows — as do the juniors — that it will miss.

Junior Jimmy Marsh and classmates work hard at getting things decorated in plenty of time.

Junior class sponsors find they just can't keep the pace, but Sam Dixon assures them that it isn't their age.

Preparations

With money now available, the junior class set out to make the first prom at Watauga High School a memorable one. Students and sponsors all worked into the late hours of the evening decorating for a French theme. Their efforts paid off, with a beautiful prom setting.

School with Grand and Formal "Evening in Paris"

Mrs. Braxton appears to be taking out her wrath on "y'all" Mr. Bradham.

Couples enjoy a walk on the patio near the Eiffel Tower.

Visitors to "little French cafe" grab a quick breath between dances.

Students and faculty alike were pleased with music by the "Ambassadors."

Refreshments were good and the table beautiful, thanks to the juniors.

A perfect end to a perfect evening, as remaining dances dwindle.

School's Most Prized Awards Presented to Seniors

For most of the student body, the Awards Day program was the climax of the year. Many awards were given that day, a few of which were: the Danforth Foundation Award, presented to a senior boy and girl "who have been well-balanced in their personal development — Diane Hagaman and John Coe; the Highland Book Club Award — Greg Mast; students selected to attend Governor's School — Randy Houser, Judi Giles, Linda Dixon, Jenny Lou Robinson, Helen Connolly, and Jimmy Deal; Girls' State — Wanda Critcher and Beth Williams; the Arion Award, presented to one senior selected by the band director as the outstanding band student — Bruce Oland; and a twelve-year perfect attendance award — Larry Greer and Randy Hart.

At last! Our mascot — painted by David Christianson, Ricky Ray, and Jerry Meekins, and sponsored by the Student Council and cheerleaders.

Dr. Miller recognizes Janie Shipley and Mike Wilson as the recipients of the Citizenship Award presented to a senior boy and girl who are the school's most outstanding citizens. For winning this coveted award, their names will be put on a plaque in the school's trophy case.

During "1965-66 Awards Day" Assembly Program

Rotarian James Marsh congratulates Mike Sink on being chosen "Rotary Boy-of-the-Year" and getting his name on plaque.

Becky Wilson receives gift presented her by Mrs. Harlan Ledford for being selected "Career Girl-of-the Year." by the BPWC.

Ted Brown receives the "Alumni Award," presented by the Boone High School Class of 1935 to a senior for civic responsibility and patriotic attitude.

Concert Band Welcomes Spring Through Musical Program

Spring Concert

Shortly before the close of school, the Watauga High School concert band, under the direction of Otis Strother, delighted the public with its spring concert consisting of both classical and popular music.

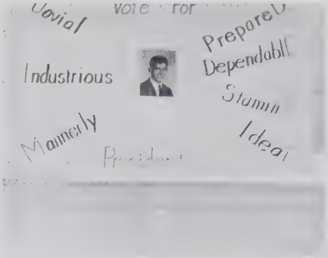
Faces of band members show intense concentration required for top concert performance.

Much rehearsal pays off for band.

Enthusiasm High in 1966-67 Election Campaigns

Election Campaigns

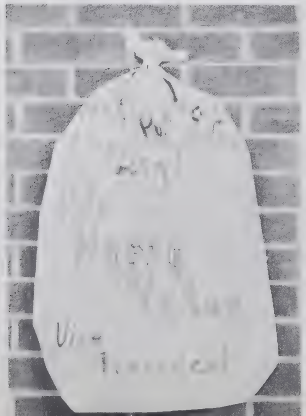
The campaign for student body officers is always a hot and hard-fought battle. The race for 1966-67 officers was no different. Banners waved, balloons floated, and signs and posters were seen everywhere. Campaign managers and candidates alike pressured friends and foes to vote for them. By the time the election — Sponsored by the Student Council — rolled around, the fate of the coming year was pretty well decided. Good luck to the new officers!



The halls were filled with posters.

The halls, plus other places.

Pleas for votes were made by all.



At last, the day of the election, when all students got to vote for their choices.

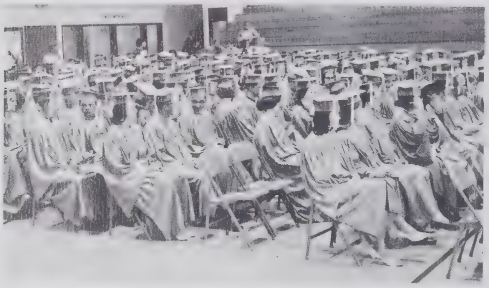
Honor Students and Junior Marshalls

ROW 1: Linda Edmisten, Nina Clawson, Becky Rhodes, Caroline Davis, Geraldine Dishman. **ROW 2:** Mike Sink, Charlene Greene, Betty Hodges, Velma Campbell, Diane Hagaman. **ROW 3:** Ottie Vance, Mary Gleen, Barbara Perry, Elaine Clawson, Linda Rainey. **ROW 4:** Yogi Wilson, Randy Hart, Larry Cline, Greg Mast. **ROW 5:** Frank Hayes, George Hyler, David Harman.

ROW 1: Jimmy Deal and Judi Giles. **ROW 2:** Jerry Meekins, Linda Dixon, Helen Connolly, Judy Pennell. **ROW 3:** Beth Williams, Wanda Pitts, Wanda Critcher, Jenny Lou Robinson, Deborah McNeil. **ROW 4:** Keith Greer, Randy Houser, Brick Miller, John Payne, Bob Reiman.

"Nothing Old Under the Sun" Inspires

Seniors will readily admit that there is more to a graduation than meets the eye. First invitations must be sent, then rehearsals begin; they hear their baccalaureate sermon, and then more rehearsals. Finally the big night arrives. Each student walks to the stage and in turn receives that all important diploma and a final handshake from Dr. Miller. He walks away reluctant to let go of the past, yet eager to delve into the future.



The first dress rehearsal means learning to sit properly and in order.

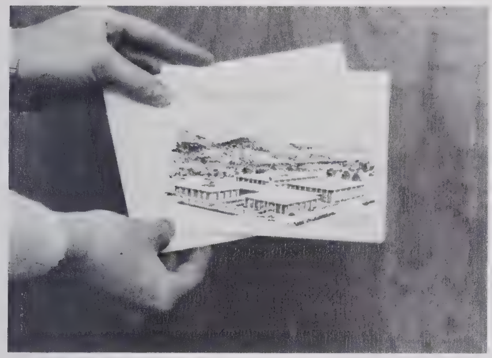
At the baccalaureate service, Rev. Crowder charges seniors to be honest with themselves, with God, and with others.

Mrs. McConnell and Mr. Fidler help students practice for graduation night.

Rehearsal doesn't seem to excite junior and senior choir members.

The dignity of graduation night is quite different from rehearsals.

Departing Seniors To Be Individualists



The Senior Class of Watauga High School requests the honor . . .

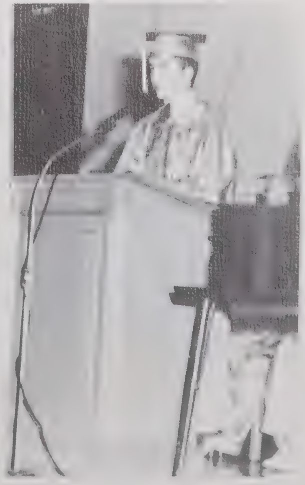
Mike Sink, top honor graduate, presides over the ceremonies and introduces the theme, "Nothing Old Under The Sun."

Barbara Perry leads the audience in the pledge to the American flag.

"Optimist or pessimist?" questions Diane Hagaman.

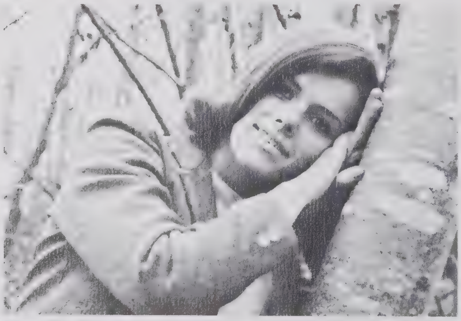
Linda Rainey challenges "Dare to Be Different."

Randy Hart looks to the challenges of the future.



CLASSES

Watauga presents its first graduating class — the class of 1966.



Class Officers. Ted Brown, President, **TOP LEFT;** Ronnie McCreary, Vice President, **TOP RIGHT;** Connie Holtsclaw, Secretary, **BOTTOM LEFT;** Jack Lawrence, Treasurer, **BOTTOM RIGHT.**

THE NORTHWESTERN BANK

Capital Stock $2,777,560.00 Surplus $11,222,440.00

The consolidation of five high schools was a tremendous undertaking, and a big step forward for Watauga County, financially, educationally, and culturally. The Northwestern Bank of Boone faithfully served these five high schools of the past, and will continue this service with even greater enthusiasm for the new Watauga High School, its students, faculty, and supporters.

Since 1937 The Northwestern Bank has supplied the complete banking needs of this section. We of The Northwestern Bank are proud to offer our services to the growth of this section.

WHERE FINANCIAL SERVICE BEGINS

A COMPLETE BANKING INSTITUTION OFFERING EVERY

Building for your future

The Watauga Savings and Loan Association has had a part in the growth of this area since 1921. We have noted with pride the construction and development of Watauga High School.

Quality education is much more important than it was a few years ago. The administration and faculty along with the students have proven in one year that Watauga is the type of educational institution which is needed in this changing world of today.

The people of Watauga Savings and Loan Association also feel very strongly about quality. We require quality in all the homes we finance. We offer the best rates available on your savings. Put these together and you have a sound financial institution.

ASSETS OVER $13,000,000.00

New'66 Fords...
For having fun...

RANCHERO, all-new sizzling performance
Longer wheelbase, wider tread and new suspension give the Ranchero new riding smoothness. Bucket seats, center console, wall-to-wall carpeting, air-conditioning—are all offered. Choice of smooth Six or powerful V-8's, 3- or 4-speed stick shift.

BRONCO, a new kind of 4-wheel-drive excitement from Ford
We've got the Bronco you want . . . Roadster, Wagon or Sports Utility. Bronco's 4-wheel drive and frisky 6-cylinder engine take you places you wouldn't believe . . . over beach sand, through deep snow, up hills too steep for roads. Bronco features clashless gear-shifting, no annoying whine in 2 wheel drive, smooth front coil spring ride.

or getting jobs done

STYLESIDE, new with the smooth ride of two front axles
Styleside's Twin-I-Beam suspension smooths every road. Steering's surer, side sway's gone, stops are steadier. Ford's Styleside is as tough as they come, too. It's built with forged axles, husky radius rods, choice of two powerful Sixes and a big V-8 engine.

Powered by Ford...Presented by Your Ford Dealer!
